As used in this section-

Area of combat operations means an area of operations designated as such by the Secretary of Defense when enhanced coordination of contractors performing private security functions working for Government agencies is required.

(1) In an *area of combat operations* as designated by the Secretary of Defense; or

(2) In an area of *other significant military operations* as designated by the Secretary of Defense, and only upon agreement of the Secretary of Defense and the Secretary of State.

(c) When the applicability requirements of this subsection are met, contractors and subcontractors *must* comply with 32 CFR part 159, whether the contract is for the performance of private security functions as a primary deliverable or the provision of private security functions is ancillary to the stated deliverables.

intelligence activities; or

25.302-4 Policy.

(a) General.

(1) The policy, responsibilities, procedures, accountability, training, equipping, and conduct of personnel performing private security functions in designated areas are addressed at 32 CFR part 159, entitled "Private Security Contractors Operating in *Contingency Operations*". Contractor responsibilities include ensuring that employees are aware of, and comply with, relevant orders, directives, and instructions; keeping appropriate personnel records; accounting for weapons; registering and identifying armored vehicles, helicopters, and other military vehicles; and reporting specified incidents in which personnel performing private security functions under a contract are involved.

(2) In addition, contractors are required to fully cooperate with any Government-authorized investigation into incidents reported pursuant to paragraph (c)(3) of the clause at [52.225-26](#), Contractors Performing Private Security Functions Outside the *United States*, by providing access to employees performing private security functions and relevant information in the possession of the contractor regarding the incident concerned.

(b) Implementing guidance. In accordance with 32 CFR part 159-

(1) Geographic *combatant commanders* will provide DoD contractors performing private security functions with guidance and procedures for the operational environment in their area of responsibility; and

(2) In a designated *area of combat operations*, or areas of *other significant military operations*, as designated by the Secretary of Defense and only upon agreement of the Secretary of Defense and the Secretary of State, the relevant *Chief of Mission* will provide implementing instructions for non-DoD contractors performing private security functions and their personnel consistent with the standards set forth by the geographic *combatant commander*. In accordance with 32 CFR 159.4(c), the *Chief of Mission* has the *option* of instructing non-DoD contractors performing private security functions and their personnel to follow the guidance and procedures of the geographic *combatant commander* and/or a sub-unified commander or joint force commander where specifically authorized by the *combatant commander* to do so and notice of that authorization is provided to non-DoD agencies.

25.302-5 Remedies.

(a) In addition to other remedies available to the Government-

(1) The *contracting officer* may direct the contractor, at its own expense, to remove and replace any contractor or subcontractor personnel performing private security functions who fail to comply with or violate applicable requirements. Such action *may* be taken at the Government's

discretion without prejudice to its rights under any other contract provision, e.g., *termination for default*;

(2) The *contracting officer shall* include the contractor's failure to comply with the requirements of this section in appropriate databases of *past performance* and consider any such failure in any responsibility determination or evaluation of *past performance*; and

(3) In the case of award-fee contracts, the *contracting officer shall* consider a contractor's failure to comply with the requirements of this subsection in the evaluation of the contractor's performance during the relevant evaluation period, and *may* treat such failure as a basis for reducing or denying award fees for such period or for recovering all or part of award fees previously paid for such period.

(b) If the performance failures are severe, prolonged, or repeated, the *contracting officer shall* refer the matter to the appropriate suspending and debarring official.
